We built our a new Water Well to provide Clean Water (3,434 gallons/hour)

Jesus stood and shouted to the crowds, "Anyone who is thirsty may come to me! Anyone who believes in me may come and drink! For the Scriptures declare, 'Rivers of living water will flow from his heart.'"

John 7:37-38

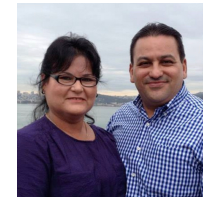

Started working in the border of Colombia Wayúu Tribe

The Wayúu inhabit the arid Guajira Peninsula straddling the Venezuela-Colombia border, on the Caribbean Sea coast. Two major rivers flow through this mostly harsh environment: the Rancheria River in Colombia and the El Limón River in Venezuela representing the main source of water, along with artificial ponds designed to hold rain water during the rain season.
